Brave – Sara Bareilles

Intro: **[G]**

[G] You can be amazing

You can turn a phrase into a weapon or a drug

[Em] You can be the outcast

Or be the backlash of somebody's lack of love

[C] Or **[D]** you can start speaking up

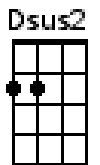

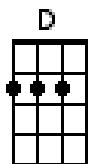

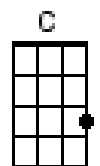

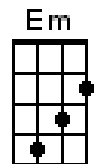

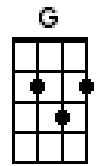

[G] Nothing's gonna hurt you the way that words do

And they settle 'neath your skin

[Em] Kept on the inside and no sunlight

Sometimes a shadow wins

[C] But I **[D]** wonder what would happen if you

Chorus:

[G] Say what you wanna say

[Em] And let the words fall **[C]** out

Honestly **[D]** I wanna see you be brave

[G] With what you want to say

[Em] And let the words fall **[C]** out

Honestly **[D]** I wanna see you be brave

Repeat 2X

[G] I just wanna see you

[C] I just wanna see you

[Em] I just wanna see you

[D] I wanna see you be brave

[G] Everybody's been there, everybody's been stared down
By the enemy

[Em] Fallen for the fear and done some disappearing
Bow down to the mighty

[C] Don't run, **[D]** stop holding your tongue

[G] Maybe there's a way out of the cage where you live

[Em] Maybe one of these days you can let the light **[C]** in
Show me **[D]** how big your brave is

Chorus:

[G] Say what you wanna say
[Em] And let the words fall **[C]** out
Honestly **[D]** I wanna see you be brave
[G] With what you want to say
[Em] And let the words fall **[C]** out
Honestly **[D]** I wanna see you be brave

[Em] And since, your **[G]** history of silence
Won't do you **[C]** any good, did you think it would?
[Em] Let your words be **[G]** anything but empty
[Dsus2] Why don't you tell them the **[D]** truth?

Chorus (Acapella):

[G] Say what you wanna say
[Em] And let the words fall **[C]** out
Honestly **[D]** I wanna see you be brave
[G] With what you want to say
[Em] And let the words fall **[C]** out
Honestly **[D]** I wanna see you be brave

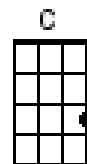

Repeat 4X (Instruments back in)
